

Party Bus Bookings

A party at home can be great, especially a 21st under a marquee with all your glammed up friends, but when it's time to move the party on, Friday's has an offer that is nearly too good to be true! We will send a bus to your house to pick up you and your friends at the conclusion of your party, transport them to Friday's, *and* offer all guests

Free Priority Admission at Friday's.

To take advantage of this fabulous offer, you must firstly email anna@fridays.com.au giving her Your Name, Date of the party, Numbers of Guests, Preferred Pick Up Time, and Pick Up Address.

Friday's will make all arrangements, book and pay for the Bus, and guarantee free Priority Admission for you and your guests, all for

An inclusive low charge of just \$250.00,
[less than half what to hire a bus can actually cost].
